### Register Now For More Technology!

To fund your classroom technology needs, all you have to do is register on Digital Wish and create a wish list!

Just like a gift registry, you build a wish list of technology products for your classroom. Then you can tell prospective online donors how their support will make a difference to your students. After a purchase, Digital Wish automatically donates an additional 2%-10% in funding for your next technology project!

Take advantage of this vibrant and free resource to:

- Browse lesson plans, grants, and fundraising ideas
- Write original lesson plans and qualify for over 43 [grants](#)
- Network with other teachers
- Create a classroom profile
- Invite your friends to join
